Amendment Notice

Pursuant to the clarification of pre bid queries raised by the intending firms in responses to e-tender No 30 of 2019 dated 22.05.2019, floated by this hqrs for Supply/installation of Video Walls at PHQ J&K Srinagar and Jammu following amendments are hereby made in said e-tender :-

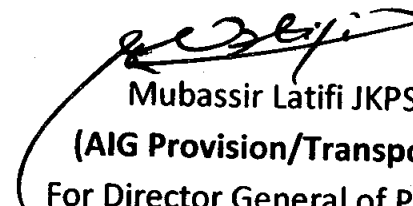

S.NO	QUERY	Amendment
1.	Resolution 3840(H)×2160(V) Ultra HD Resolution mentioned in the tender is Ultra HD and each panel has the resolution of 1920(H) × 1080(V) Full HD. Resolution increases with the increase in number of panels so we request you to please amend the same to 1920 x 1080 Full HD and also specify which matrix of video wall is required i.e. 2×2,3×2 or more as it is not mentioned in the tender enquiry	Resolution is mentioned clearly for each panel of 55". Matrix shall be composed of panels hence no chance of increase of resolution. Matrix (layout shown below) of 4×2 is required 
2.	Bezel Width 1mm or less Kindly amend it to 1.8 mm (bezel to bezel width) or better as maximum OEM with 55 inch have 1.8 mm bezel width	1.8 mm or better.
3.	Contrast Ratio (Static)-3000:1 or better Kindly allow Contrast Ratio (Dynamic) to allow maximum OEMs and technology to get qualified.	Dynamic contrast ratio of 3000:1 or better is also allowed.
4.	Brightness(Nits) > 500 Kindly allow brightness of 700 Nits for open and healthy competition	May read the specifications again. Greater than 500 Nits is allowed.
5.	Number USB 3.0 Ports-2 Our OEM LED comes with 3 nos. of USB ports which includes 2 nos. of USB 2.0 and 01 nos. of USB 3.0, so kindly accept this very minor deviation	At least 2 USB 3.0 Port must be provided.
6.	Data Wall Management Software to be provided Request you to please specify the specifications of the software. Kindly add the below features for better functioning <ul style="list-style-type: none">• Display multiple sources anywhere on display up to any size.• All input sources can be displayed on the video wall in freely resizable and movable windows• Save and load desktop layouts from local or remote machines• Support all layouts from input sources, Internet Explorer, desktop and remote desktop applications.	Must provide dynamic layout management, scenario management and remote management from multiple sources.

S.NO	QUERY	Amendment
	<ul style="list-style-type: none"> Multi View option Layout management, scenarios management, remote management. 	
7.	Operating humidity (%H) 10 to 90 Kindly accept humidity as 20% to 85% RH non-condensing	As per NIT
8.	Environment Energy Star 6.0 or equivalent RoHS BIS is an Indian standard which is accepted throughout and is same as RoHS. So kindly accept BIS	Equivalent rating accepted. Certification regarding the same must be provided.
9.	Safety-UL 60950-1 or equivalent BIS is an Indian standard which is accepted throughout and is same as UL standard. So kindly accept BIS.	Equivalent rating accepted. Certification regarding the same must be provided.
10.	Kindly confirm the specifications of the video wall controller as the number of outputs and inputs is required. The number of outputs will depend on the number of panels required by you and the number of inputs required will depend on the number of sources required to run the wall. Please clarify the number of inputs and outputs required.	Minimum 10 inputs and outputs required. Must be able to support Ultra HD resolution
11.	Kindly mention that SI should have prior experience of supply and installation of video wall with at least one experience.	As per NIT

Consequent upon above the last date for submission of bids and date for online opening of technical bids are extend as under:-

- Last date for receiving of online tender offers: -06.07.2019 upto 1800 hours
- Date for online opening of technical bids: - 08.07.2019 at 1100 hours at PHQ J&K Srinagar.

However, other contents of the tender shall remain unchanged.
